

BSC iPad Enrollment Guide

Prepared by Berwick College - IT Department

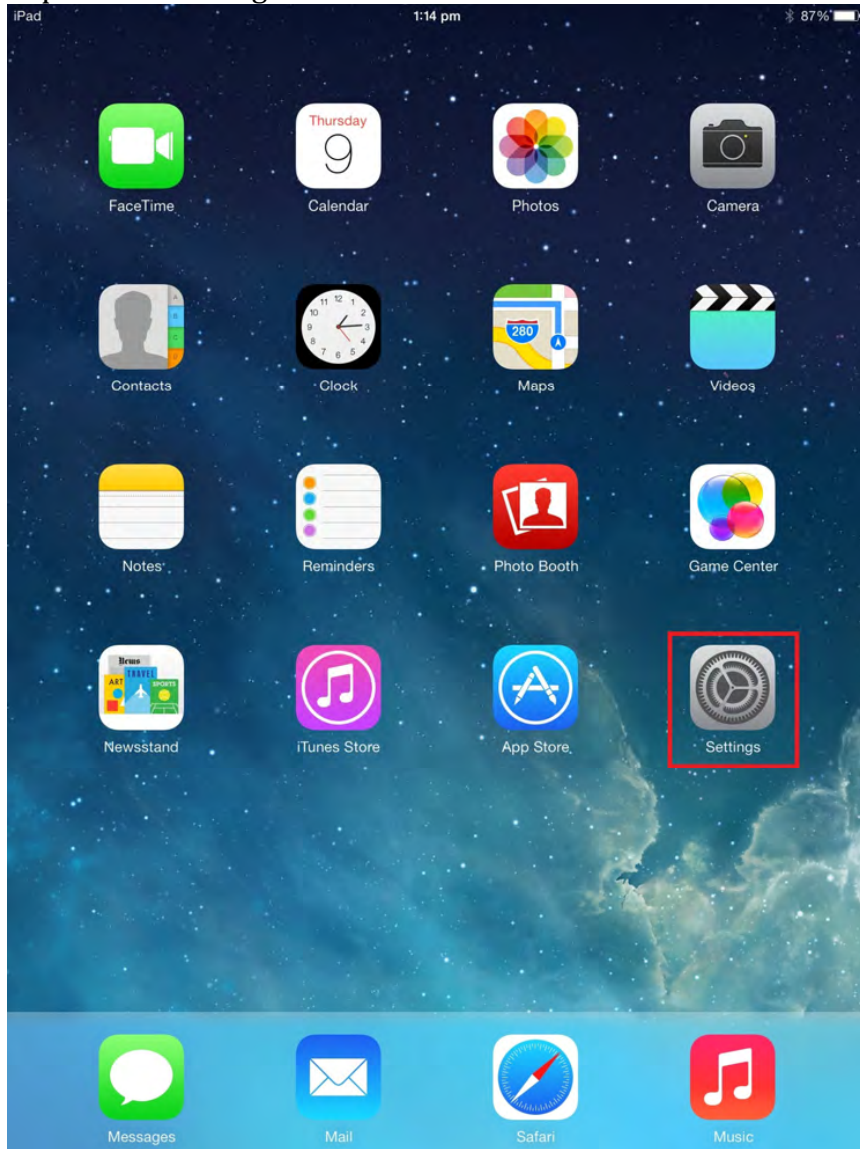

Step by Step guide on how to enroll your iPad on to the BSC Network

Pre-Requisite: iOS 7.0.4

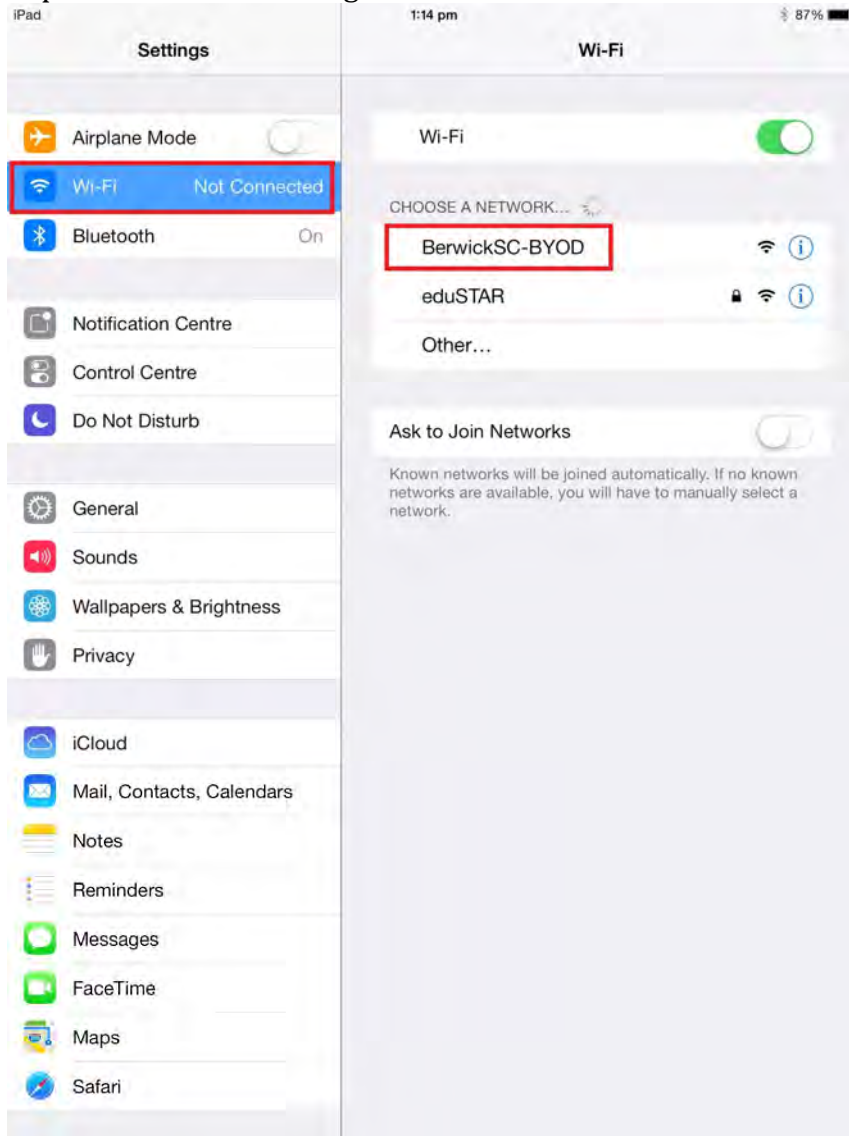

Version 1.0

iPad Enrollment

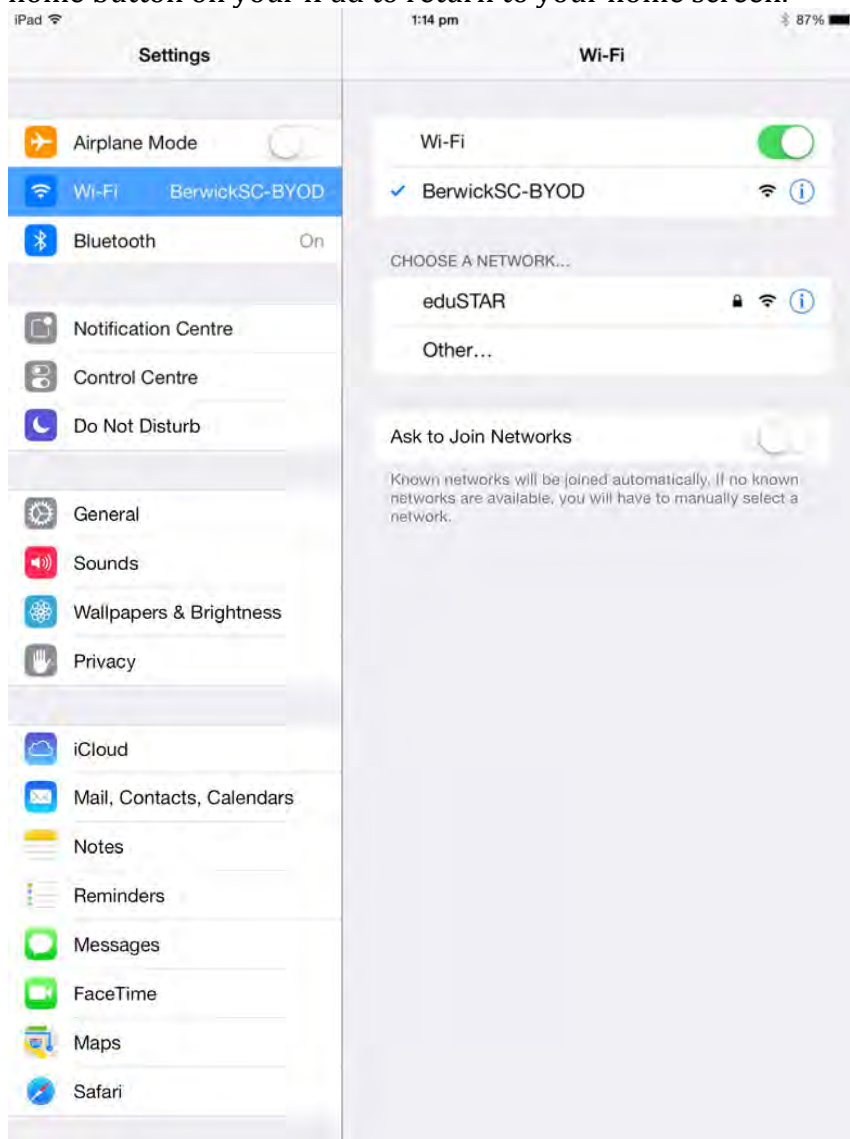

1. Tap on the “Settings” icon.

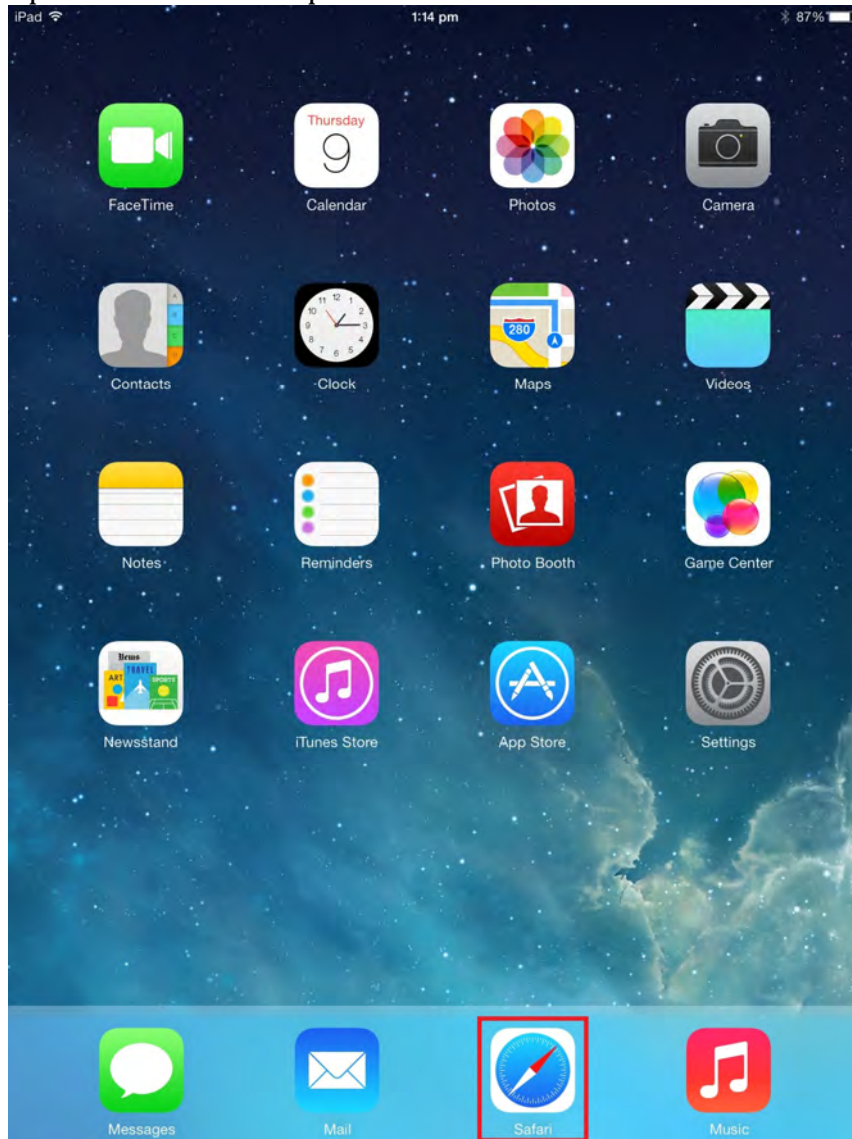

2. Tap on the “Wi-Fi” setting and then select the “Berwick-SC-BYOD” SSID.

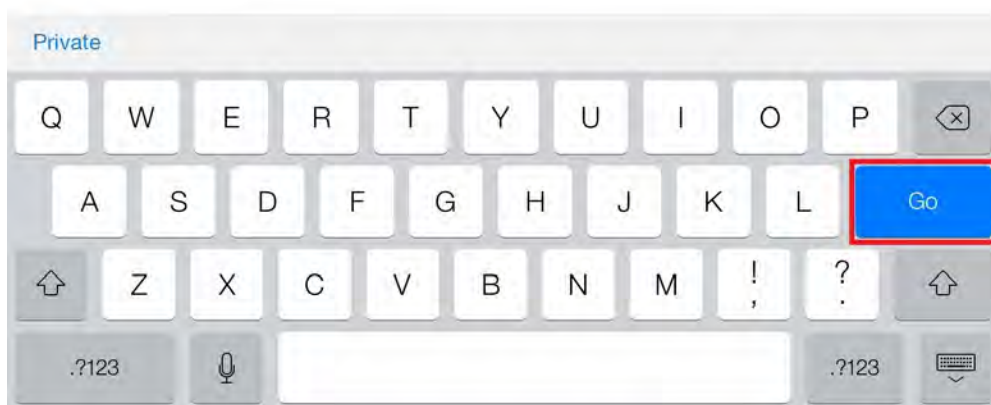

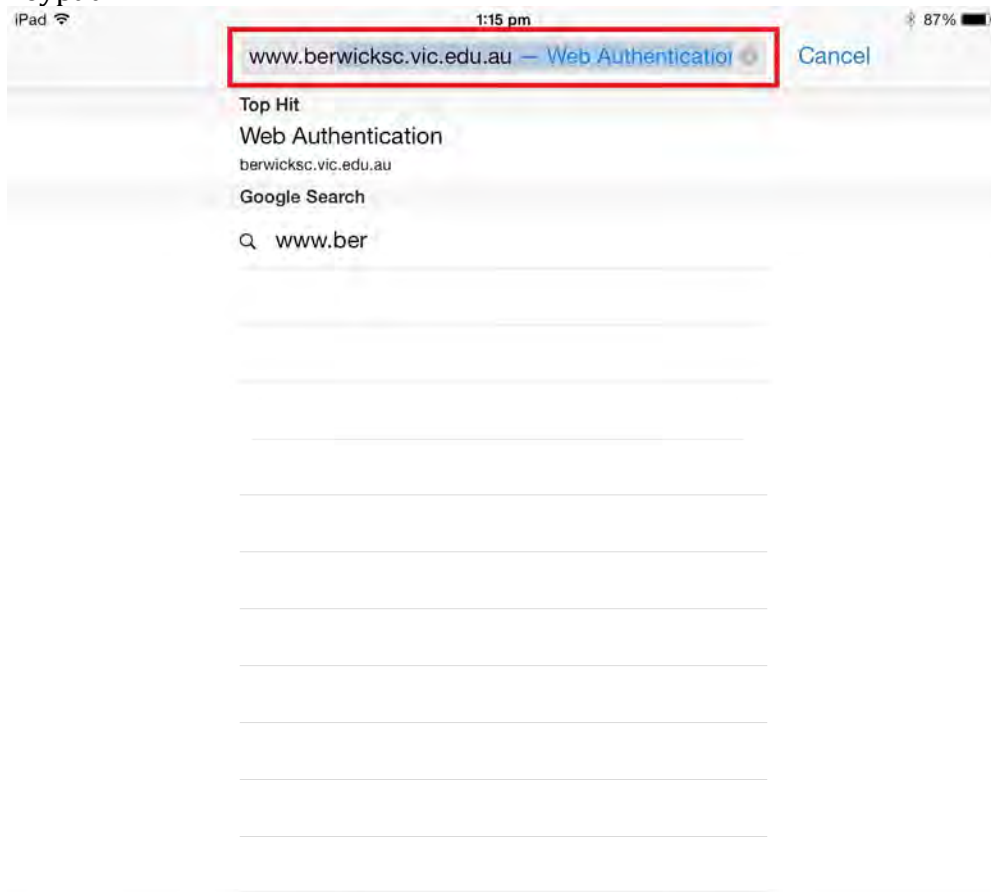

3. When your iPad has joined the “BerwickSC-BYOD” network press the home button on your iPad to return to your home screen.

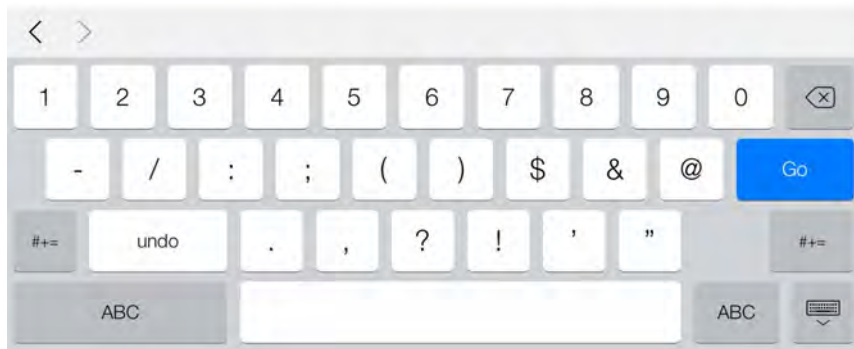

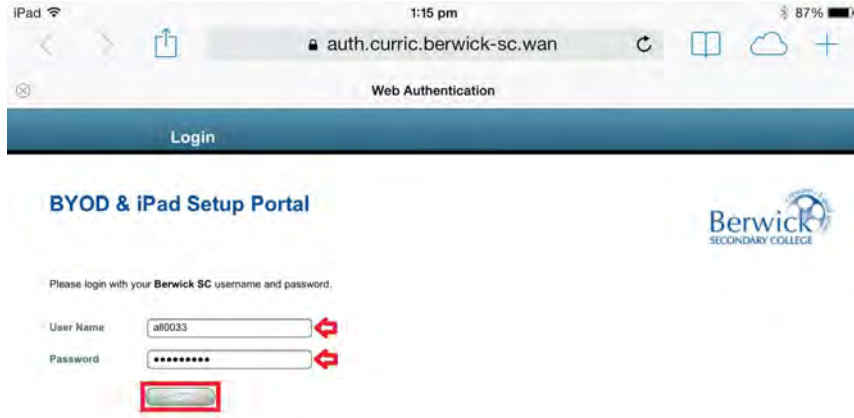

4. Tap the Safari icon to open Safari.

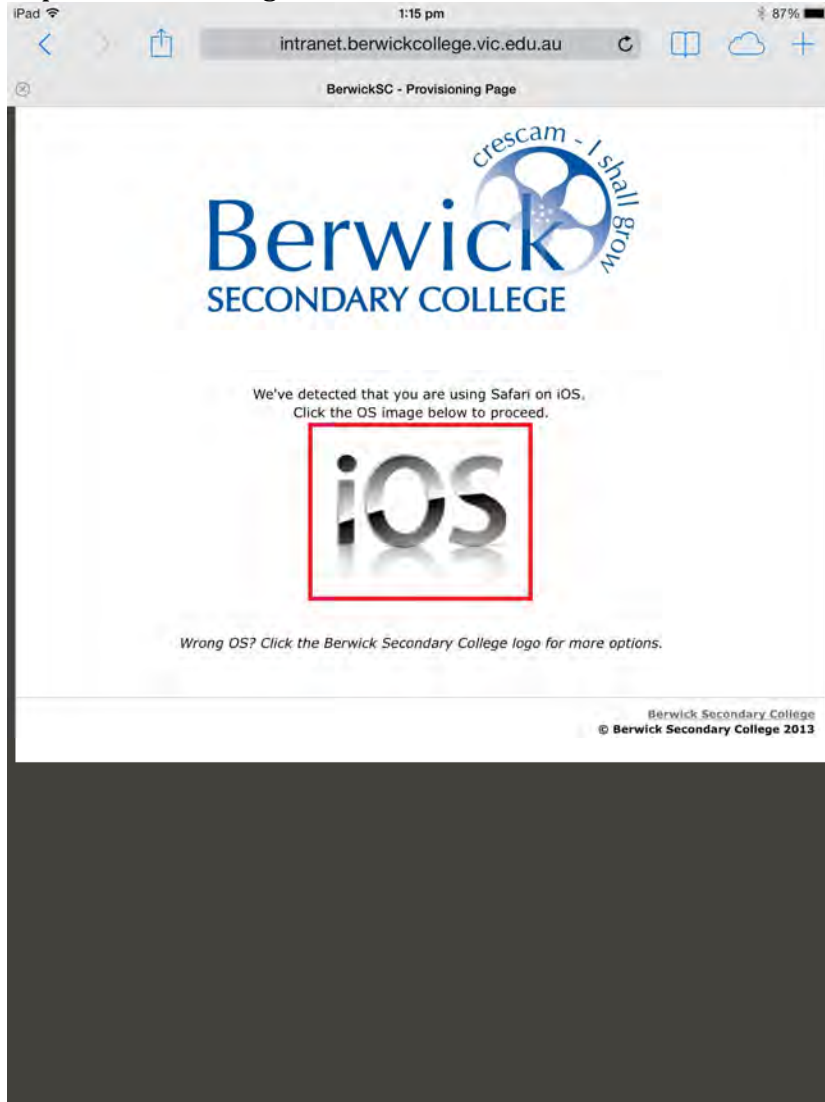

5. Type www.berwicksc.vic.edu.au in the address bar and press “Go” on the keypad.

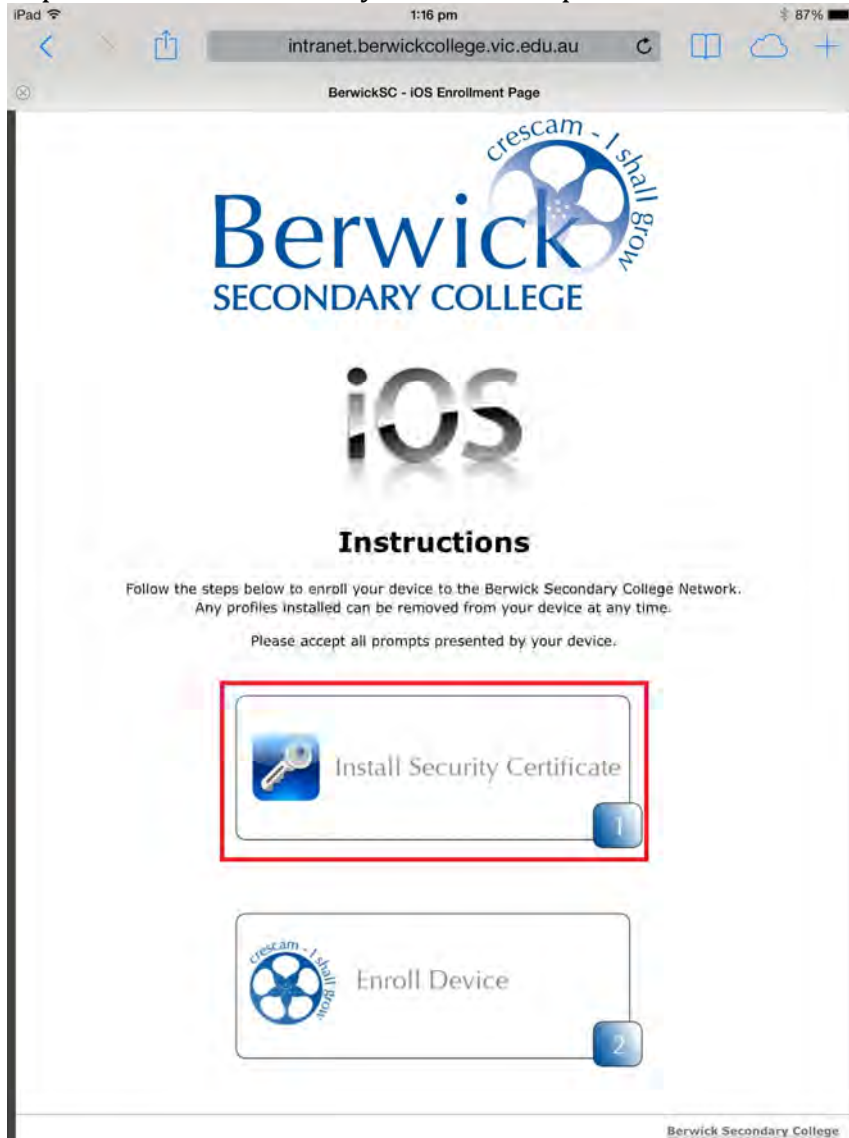

6. You will be taken to the Web Authentication page. Type in your BSC username and password in the designated fields and tap on the “Submit” button.

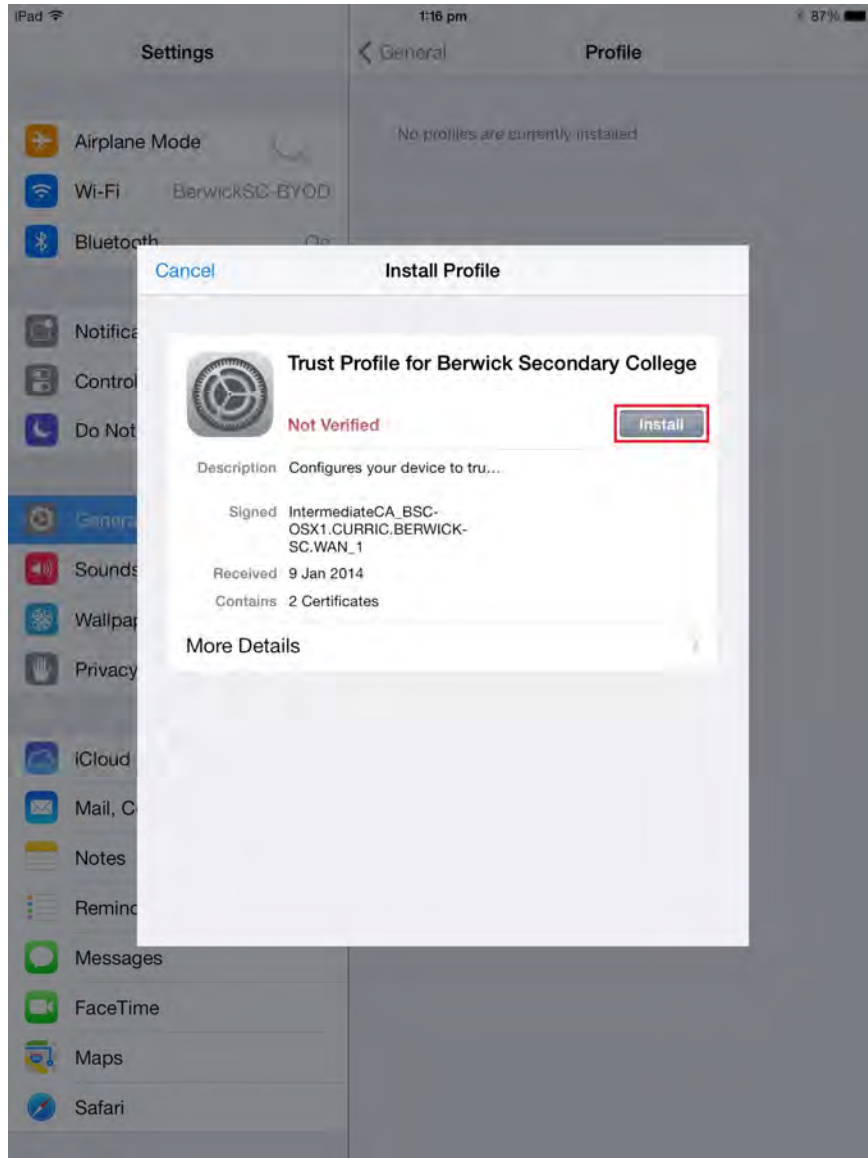

7. Tap on the “iOS” logo.

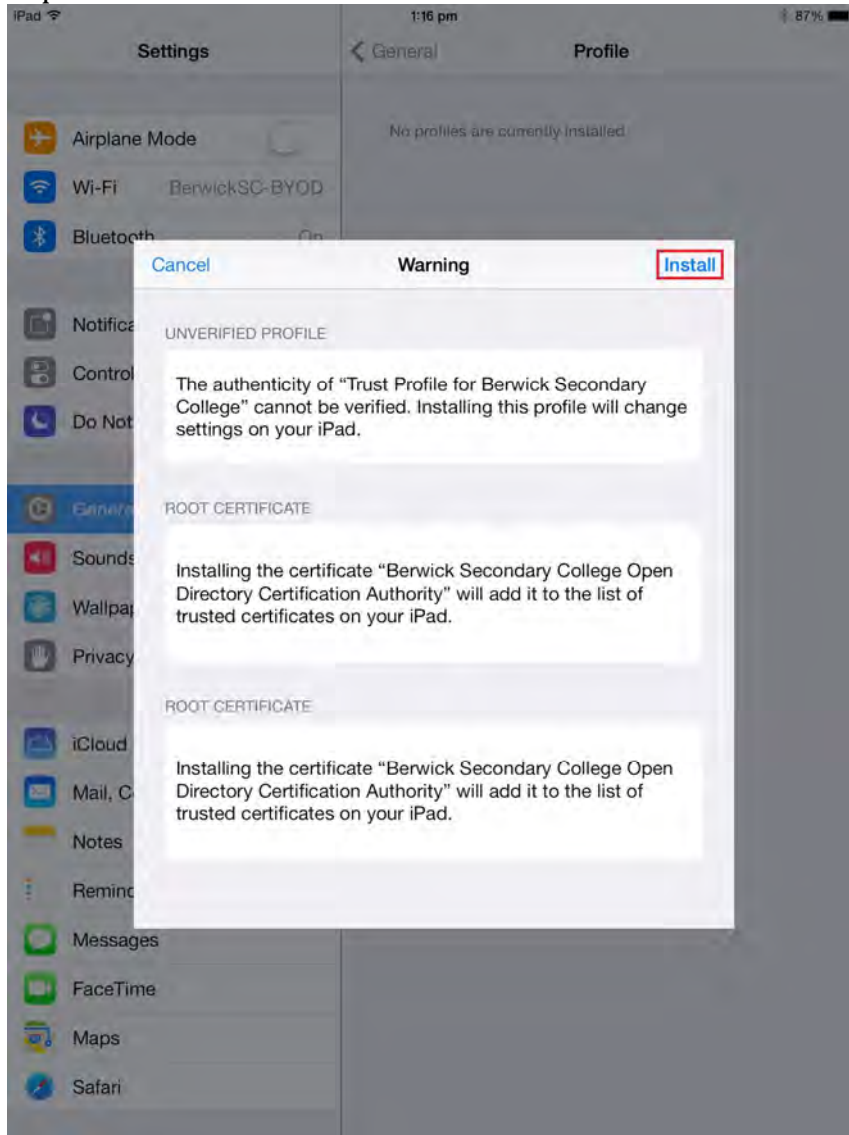

8. Tap on the “Install Security Certificate” option.

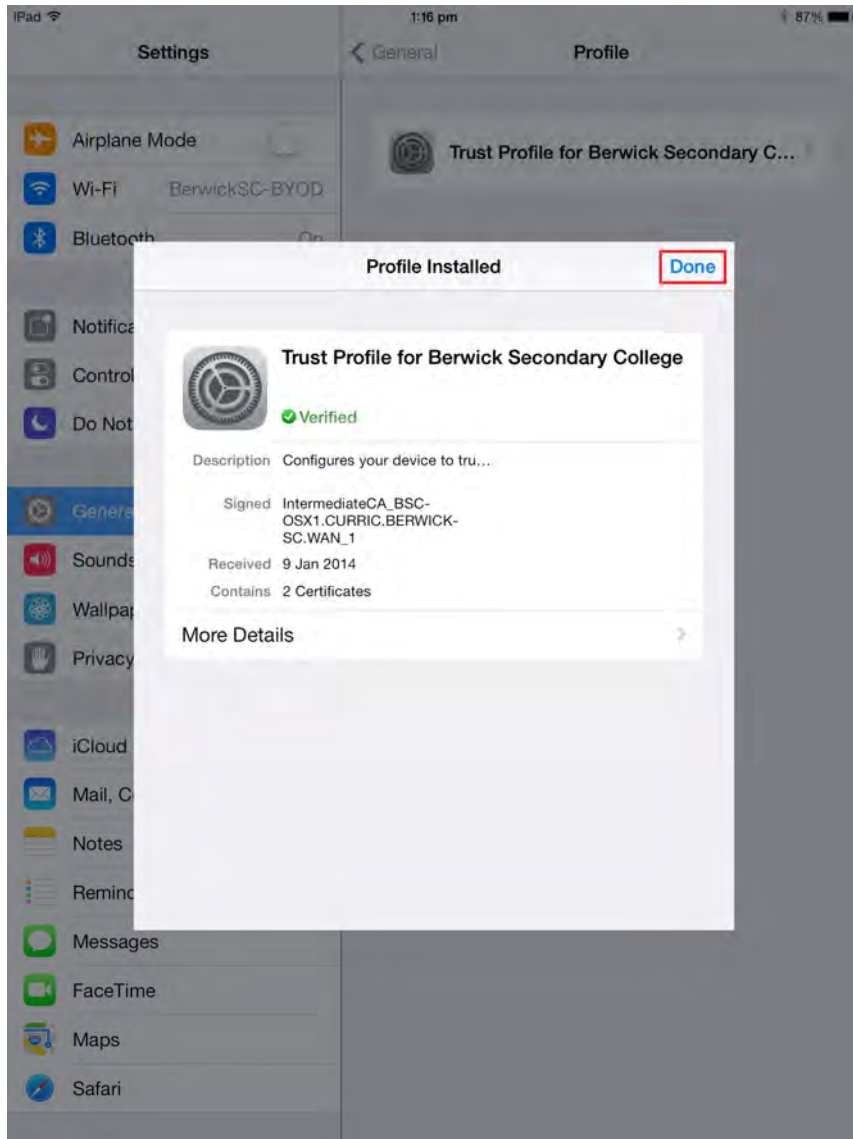

9. Tap on the “Install” button.

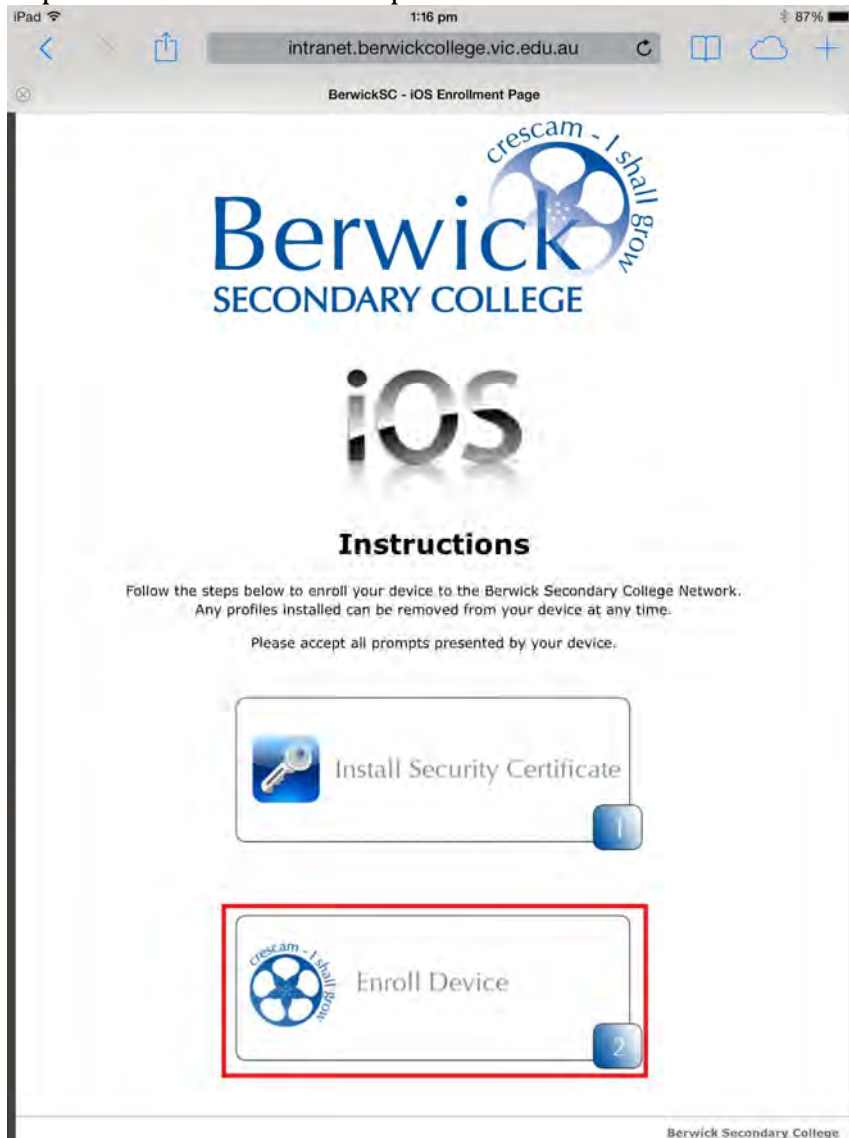

10. Tap on the “Install” button.

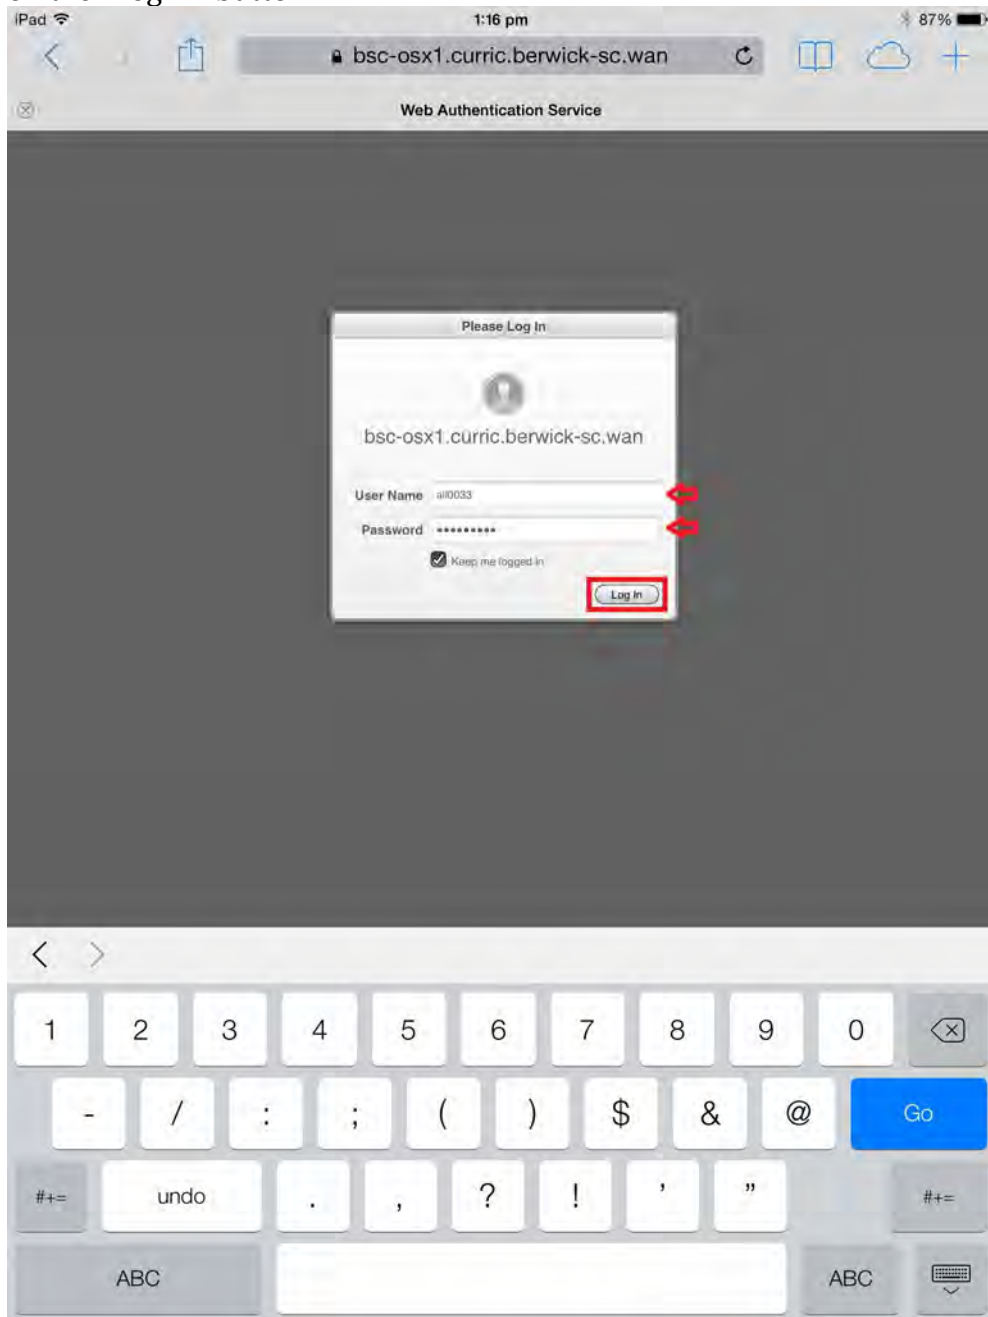

11. Tap on the “Done” option.

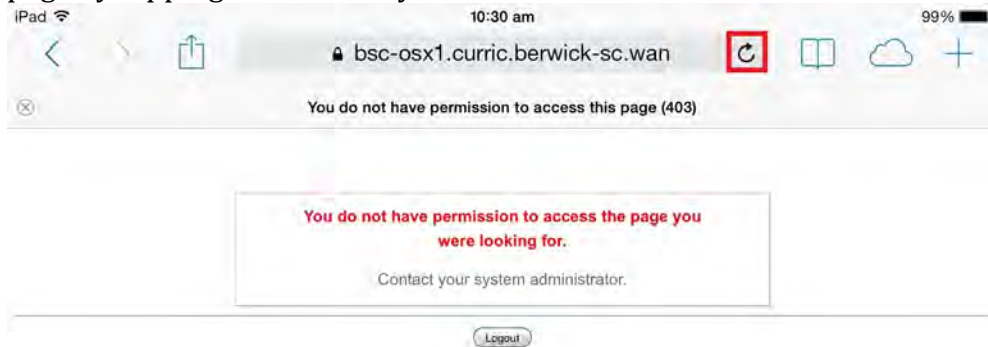

12. Tap on the “Enroll Device” option.

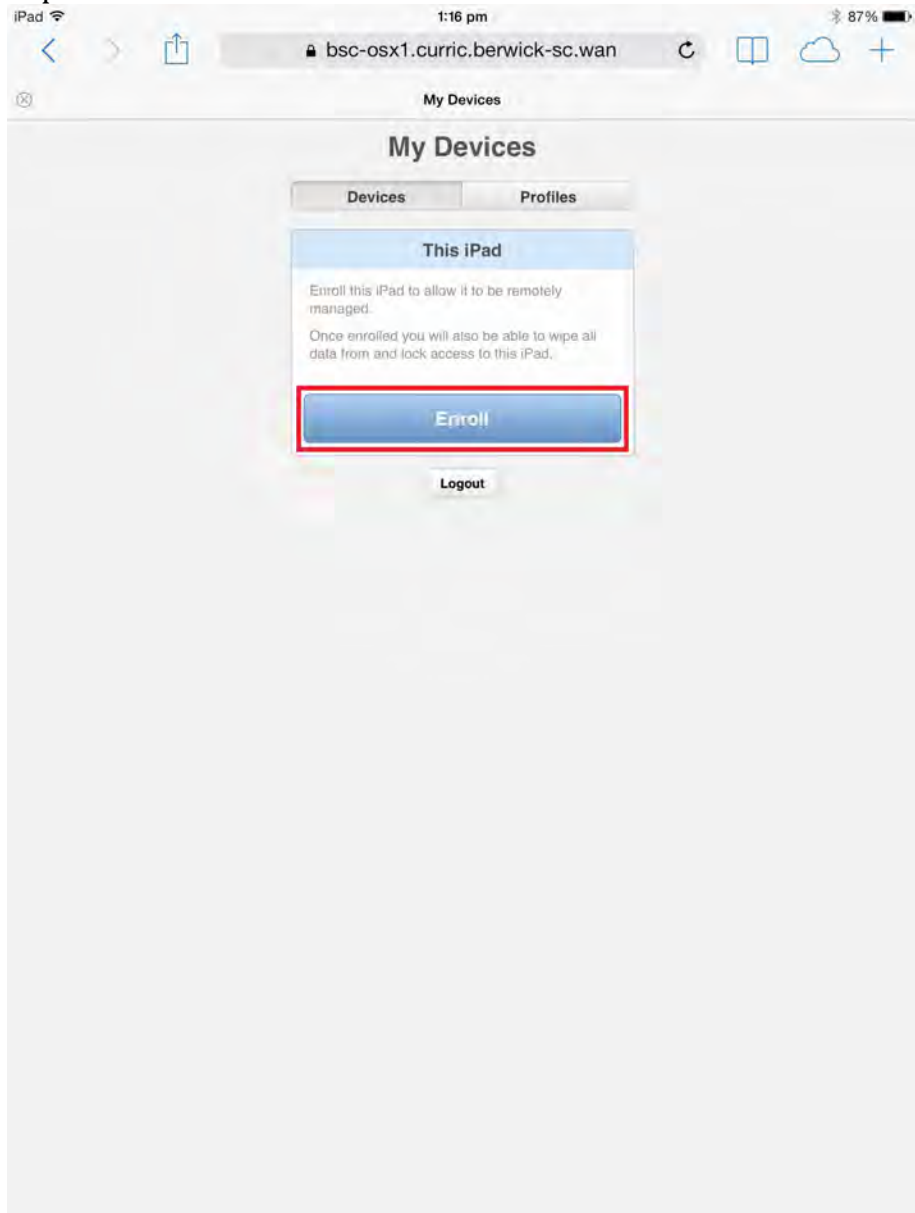

13. Type in your BSC username and password in the designated fields and tap on the “Log in” button.

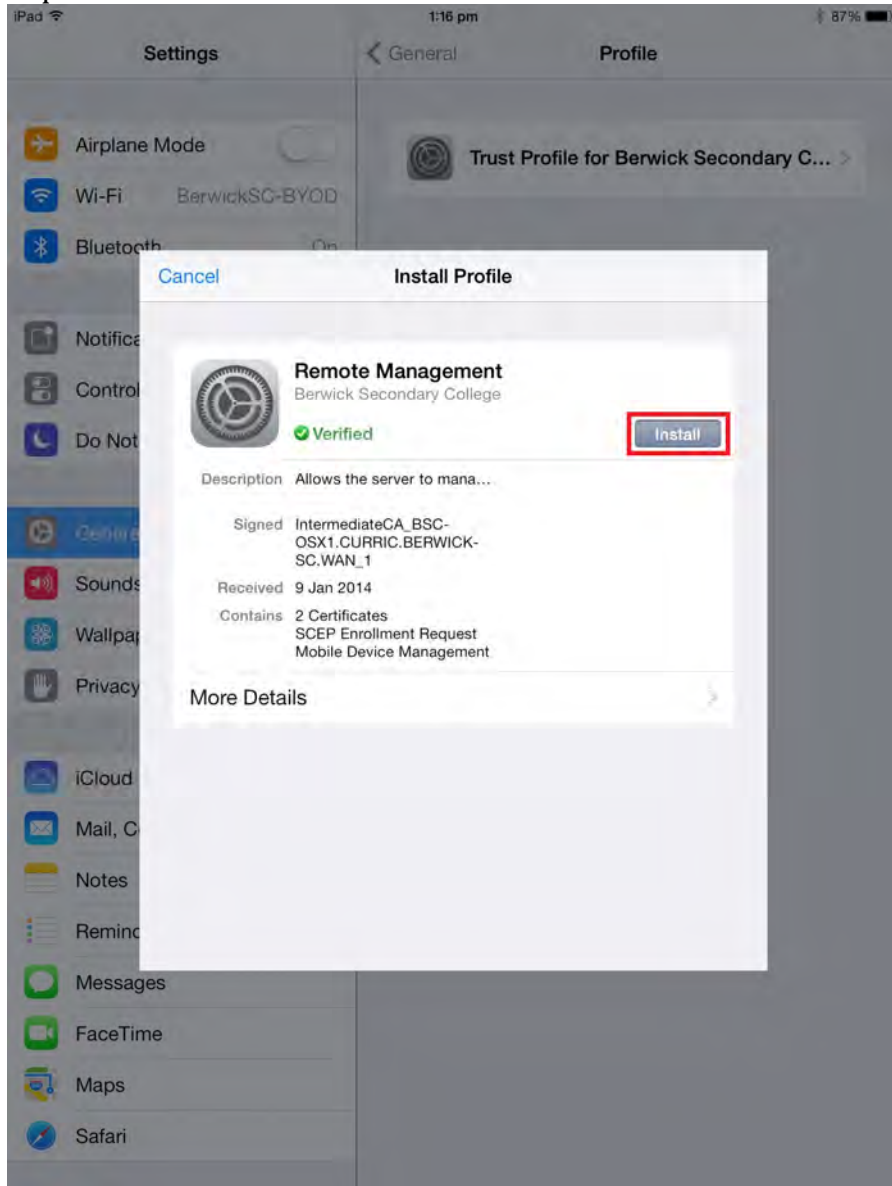

NB: You may get an error when you reach this page, if so just refresh the page by tapping the refresh symbol in the address bar.

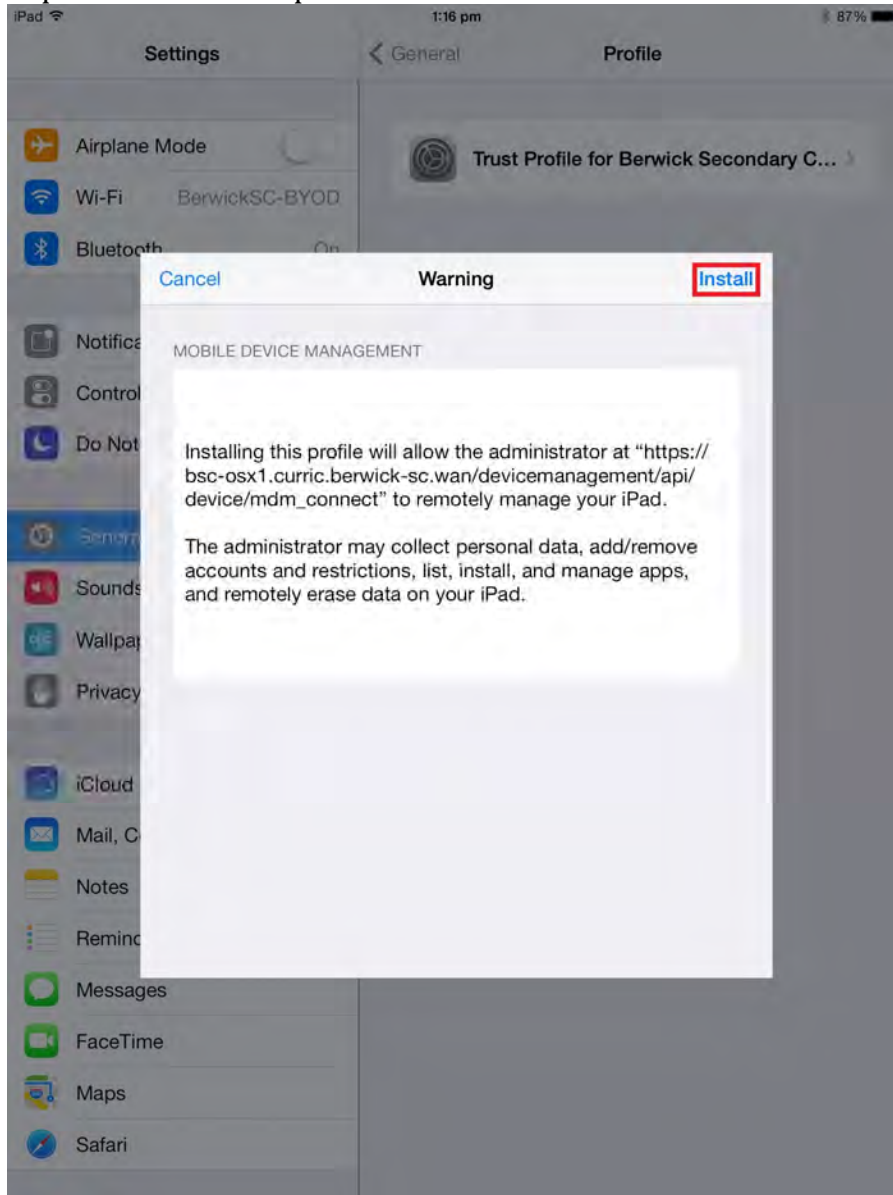

14. Tap on the “Enroll” button.

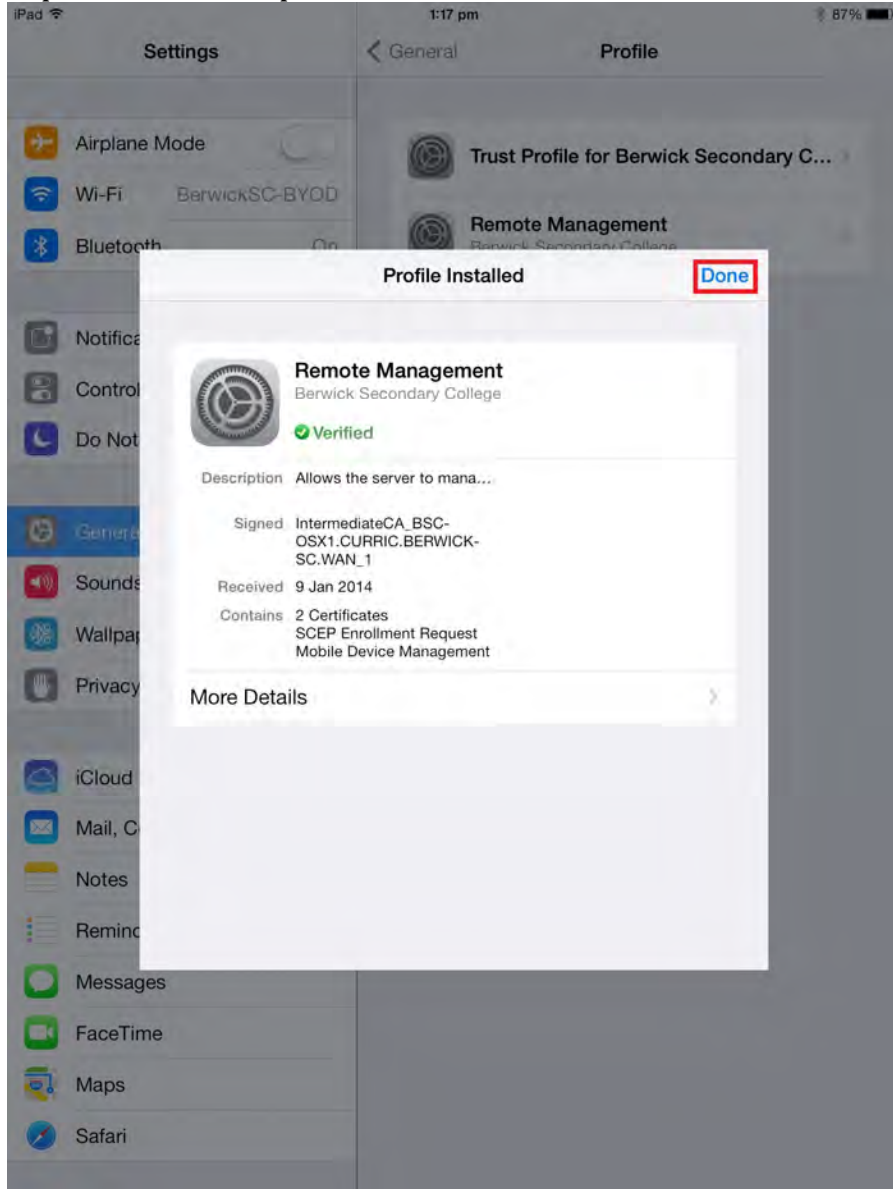

15. Tap on the “Install” button.

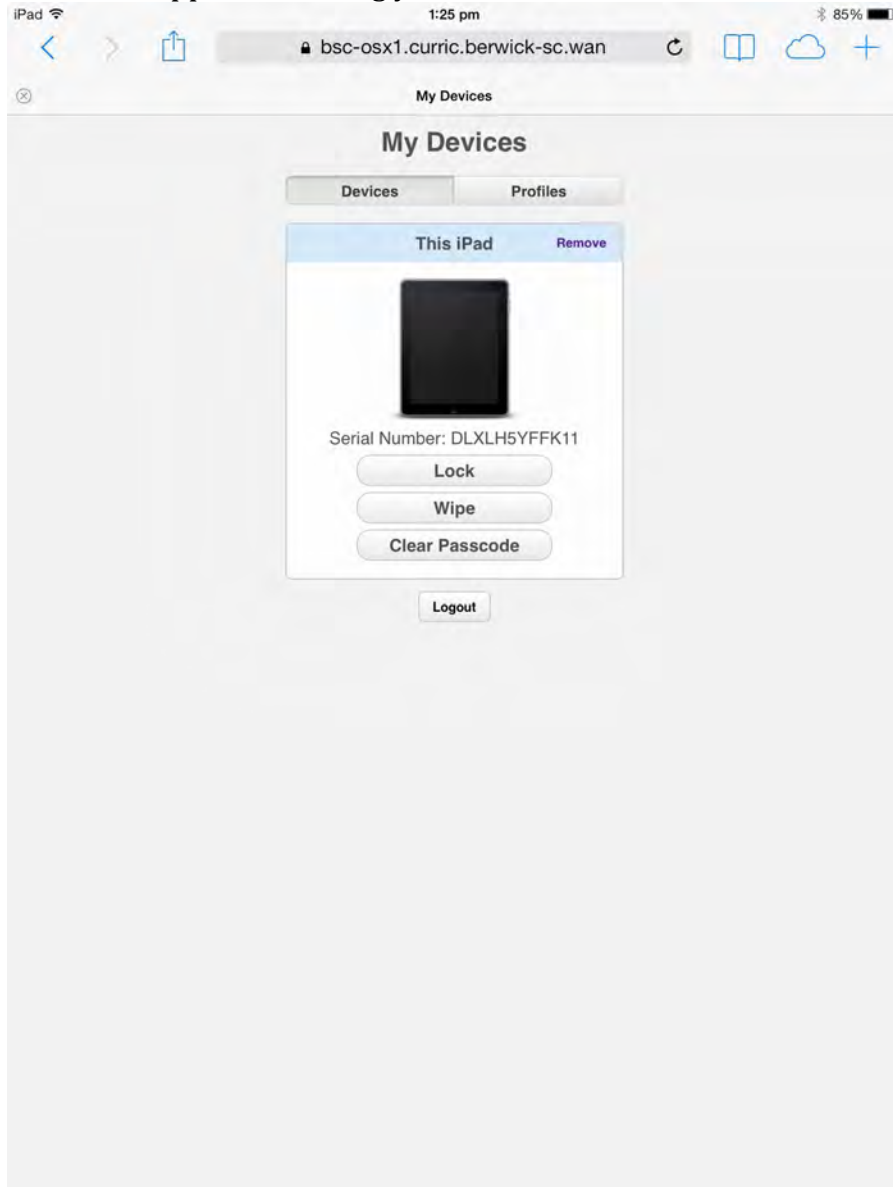

16. Tap on the “Install” option.

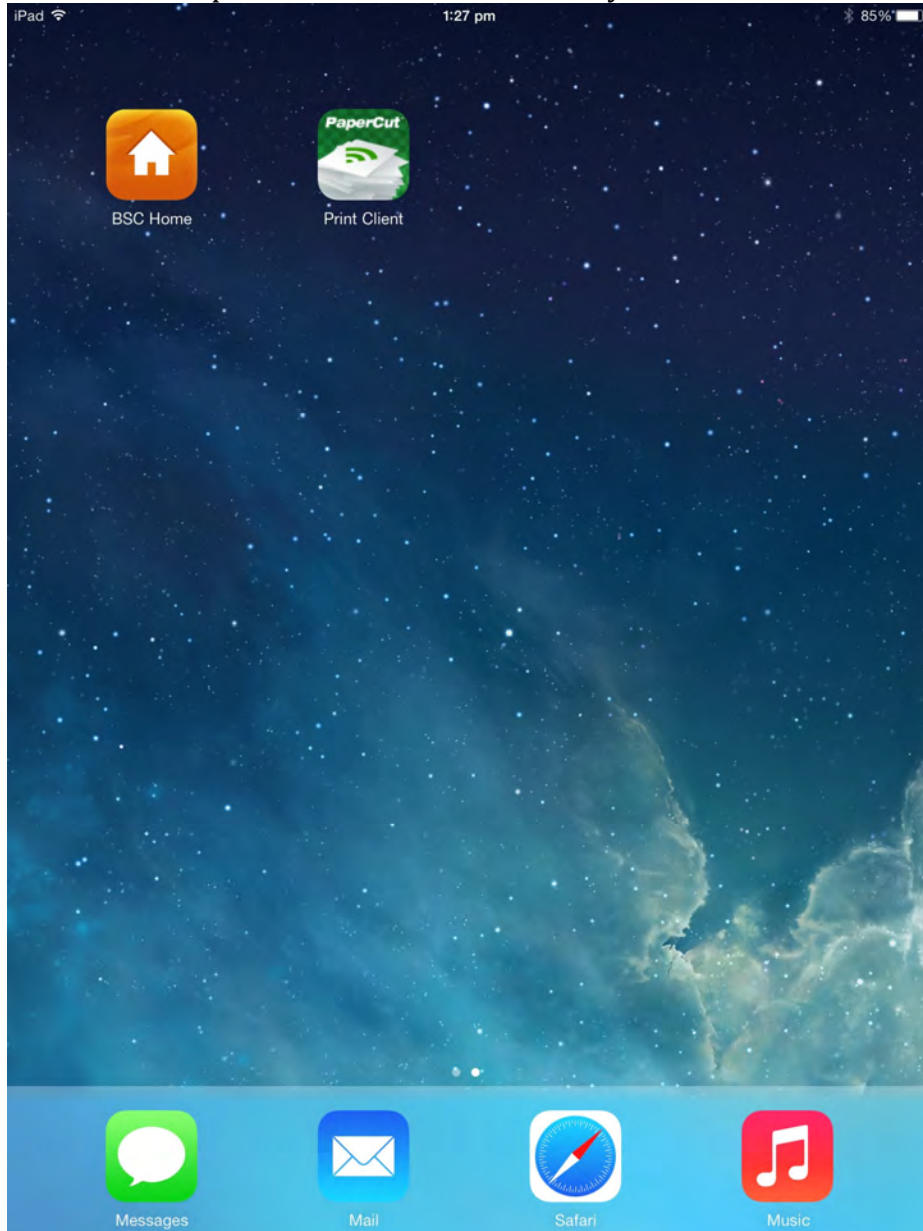

17. Tap on the “Done” option.

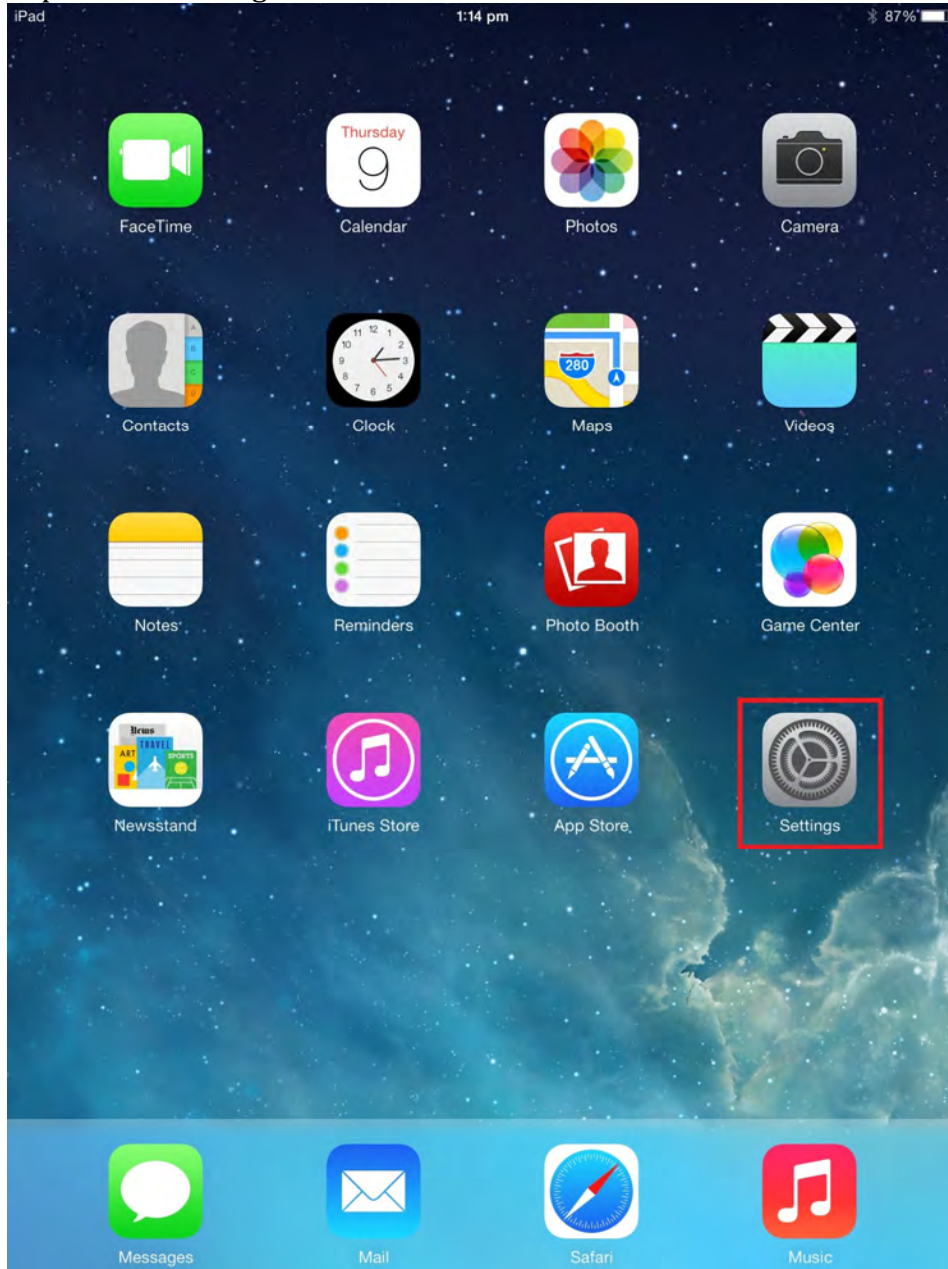

18. Your device will now be enrolled. If this page does not appear wait 30 seconds before refreshing the page. Press the home button on your iPad to return to the home screen. NB: If after this length of time the device is not appearing as enrolled repeat steps 14-17 until a page similar to the one below appears showing your device.

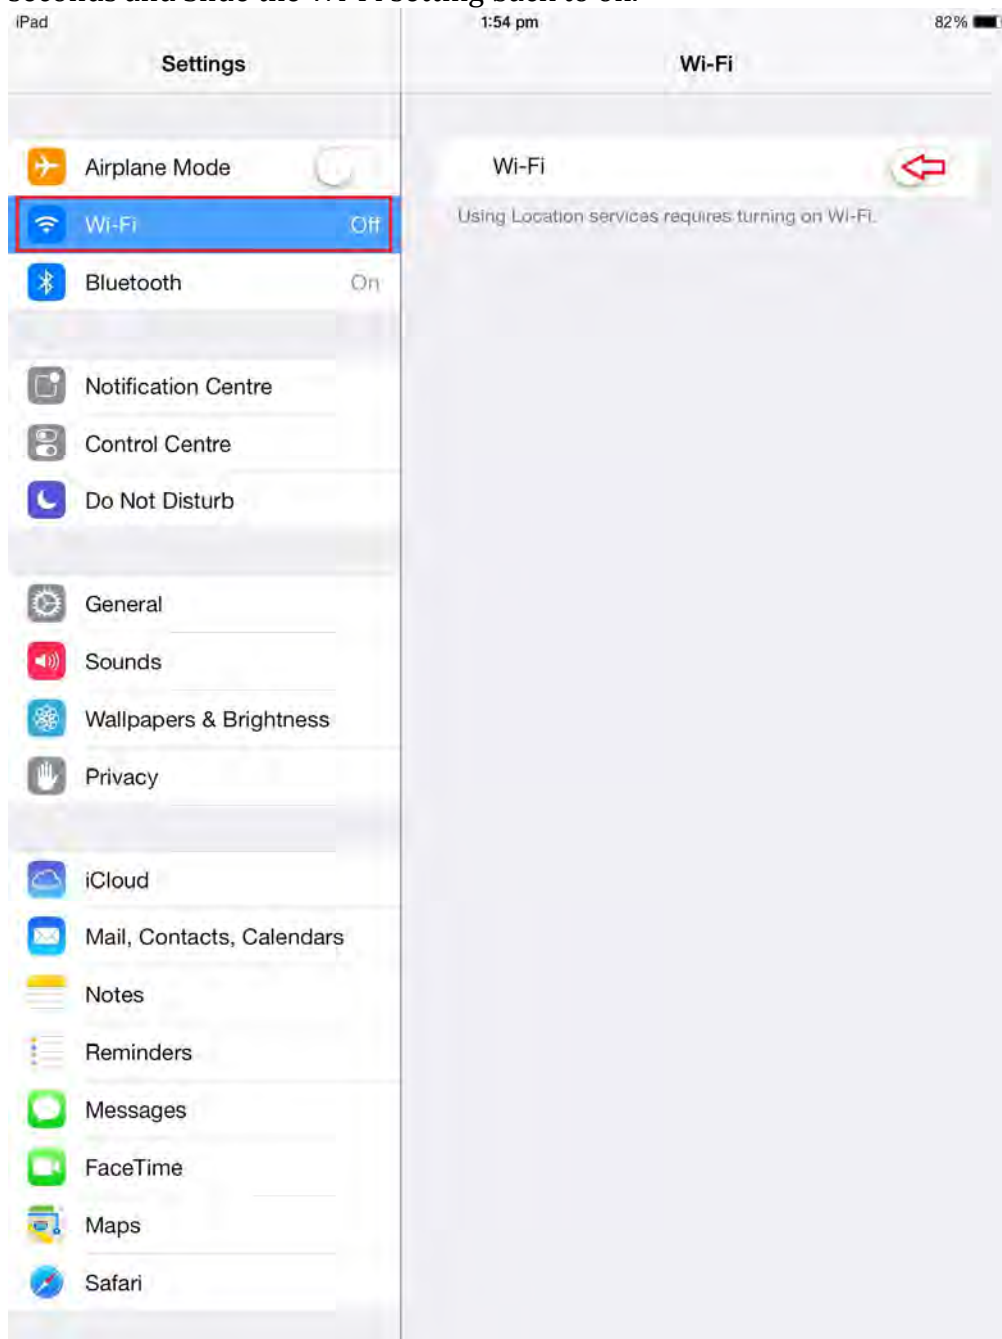

19. To verify that your iPad enrollment was successful look for the “BSC Home” and “PaperCut Print Client” icons on your home screen.

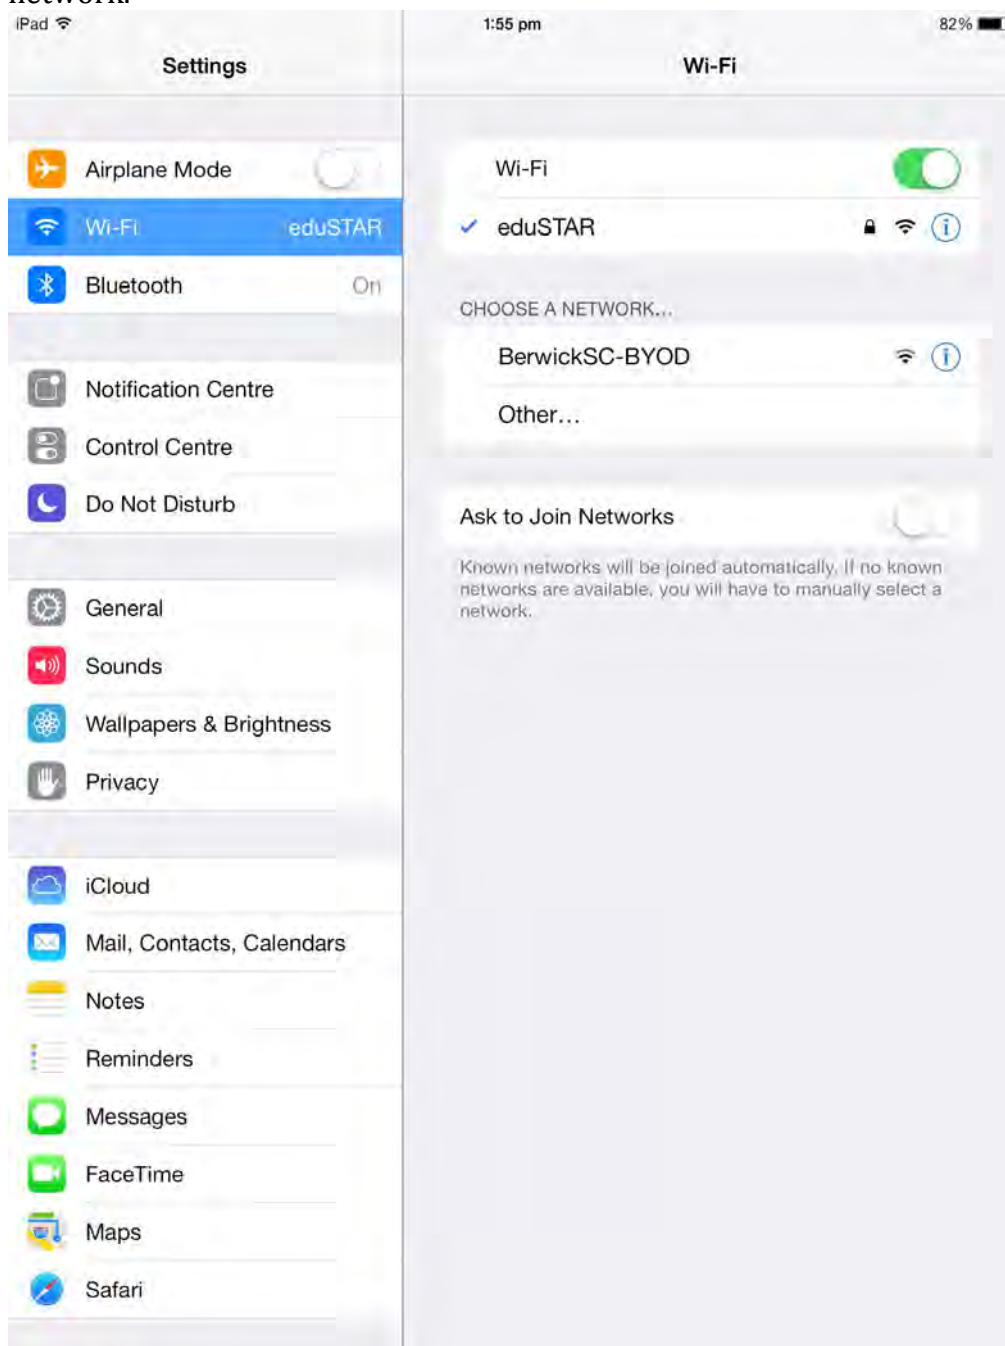

20. Tap on the “Settings” icon.

21. Tap on the “Wi-Fi” setting and slide the Wi-Fi from On to Off. Wait 5 seconds and Slide the Wi-Fi setting back to on.

22. Your iPad should now automatically connect to the eduSTAR Wi-Fi network.

23. The BSC Internet Firewall will prompt you to authenticate for HTTP and HTTPs Internet Traffic. Enter your BSC username and password into the designated fields.
