Jacplus Textbook Student Setup Guide
Prepared by Berwick College
Step by step guide on how to setup your Jacplus account and get access to your History and Geography textbooks.
1. Go to www.jacplus.com.au and click **Create Account**
2. Enter the details of the student, making sure that:

a. the primary email is the student’s college email where the prefix is the student’s college user id eg. stu0001@berwickcollege.vic.edu.au

b. the secondary email is a student’s personal email or parent’s email

c. the password must be greater than 8 characters

d. students must record their user email and password in a note on their iPad and make sure their passcode for their iPad is secure
3. Accept the Licence Agreement and click ‘Create Account’
4. Record your email and password and click **Confirm and Proceed**
5. Click on ‘Add a new title’
6. Peel off the Jacaranda cards and enter in the codes on the back of the cards.
7. Go to the App Store and search for and download the JacarandaPLUS Bookshelf
8. Open the Jacaranda App and type in the student’s email and password
9. The textbooks should appear!
